

## Rake in Grass

**We make games!**

### WHO?

We are a group of friends and enthusiasts who have been making games for over a quarter of a century!

### WHAT?

We make games! Games! Mostly hardcore ones, because we're hardcore gamers with an 8bit childhood, growing up with computers like ZX Spectrum or Amiga.

### WHY?

Because we love games and we love making them even more.

### PLATFORMS

We've released games on Windows, Mac, iOS, Nintendo, Playstation, Linux and Pocket-PC.

## GENRES

Action, rpg, strategy, adventures, logic ... just anything we like and can get excited about.

## OUR BEST GAMES?

Co-op beat 'em Rampage Knights and shoot 'em up Jets'n'Guns series. But the others are also worth playing, check our site!

Meet some of our 20 games!

## Jets'n'Guns 2

Side-scrolling space shooter with insane levels of action and destruction.

**Steam rating 91%**

## Silent Sector

Old-school open world sci-fi RPG with frenetic battles, crude humor, loose morals and cows. **Steam rating 80%**

## Rampage Knights

Cooperative beat 'em up game mixed up with randomized dungeon crawling and exploration.

**Steam rating 93%**

## Northmark: Hour of the Wolf

Card-based RPG. Adventure across the lands of Northmark and save your homeland from the plot in this original adventure.

**Steam rating 89%**
